we're at 675 N Randolph Street, Arlington, VA 22203. There's a mall directly across the street, with a parking entrance around the corner on Glebe Street (it's something like $1 for 3 hours).

I'll see you on Monday at 2:15pm. There is security coming in, so let me know if you'll be carrying (we can handle it, but just need a heads up). Also, if you need to pass clearances, [(b)(6)] can send instructions; we don't do IC badges, only Visa/Mastercard and American Express :)

Once you clear security and get a badge, they'll call me. It usually takes 5 minutes (or less, if there's no line).
Cheers,
[(b)(6)]

**Subject:** RE: Detailee Addendum

Thank you (b)(6) for the Easter wishes! And thank you for pointing out the contractor/employee distinction. We are using "employee" in the generic sense here and it is undefined within the main MOU or the Detailee Addendum, so it would in my opinion encompass both relationships without affecting the provisions of the MOU. I'm happy to discuss further, but I believe we are on safe ground here.

I look forward to speaking with you or your OGC rep shortly to discuss further.

Hi

thanks --- I'll pass this by our OGC, but I don't anticipate any issues. Just one correction: isn't an "employee", he is a contractor (but then again, there are no employees, in the formal employment sense of the word, at DARPA).

It is a 5 minutes from here.  They have been notified, you do not need an appoint for this, you just have to go there and let them know you art her to get a pin for your badge. Parking can be a pain at Mission Ridge but they do have some visitors spaces out front.  Without the pin you still have unescorted access to NCIJTF but of course need someone to badge you into the doors.

Without one you can use you badge to get into the doors but will need to have someone with you that has an elevator badge to use those. They will ask  if you need one.  If you want one just tell security you will be here on a regular recurring basis.
